REACHING AFRICA

September 2006 Vol. #021

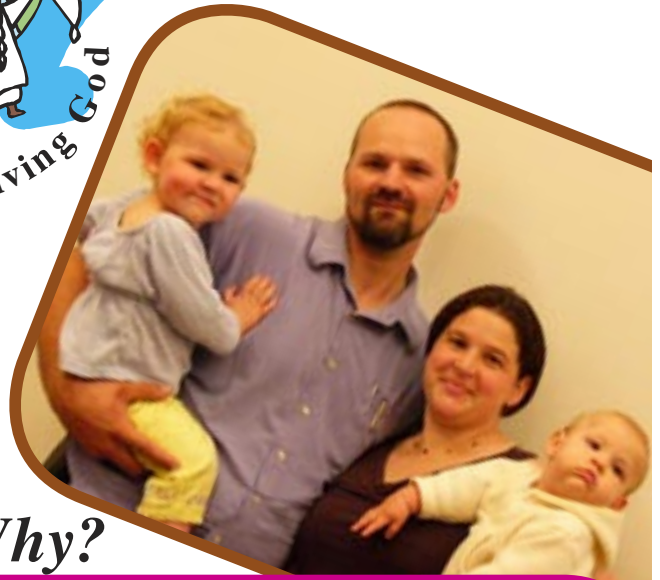

Yes, Still in Winnipeg!

We apologize for our lack of communication.

It feels as though we have been in a storm, tossed back and forth, and we have yet to see calm waters.

With God as our 'life saver' we have kept our heads above water. Thank you for your prayers!

After much prayer, we have agreed with the BLF Canada Board to a major change in direction. We will be transferring our membership from BLF to a different mission organization.

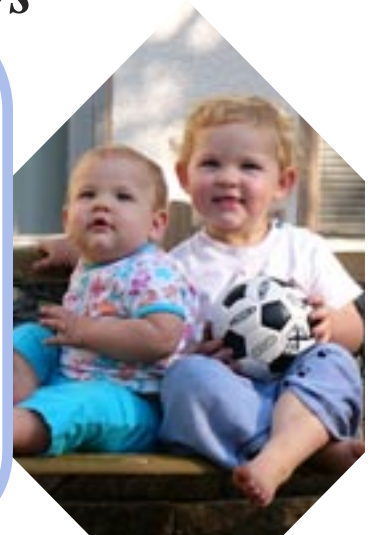

Why?

1. Because, unfortunately, BLF has been unsuccessful in forming a partnership in Africa under which we could work. After being with BLF for 6 years of training and support-raising, we feel the time has come to transfer to a mission that can send us to Africa, where we feel God is calling us.
2. Our second reason is a family matter. Having Dad as our Director has provided the additional support we've needed over the past few years, but has also robbed us of our father-son relationship in many ways. I want my dad back!

Good News

1. BLF has graciously offered to keep us on board until we have firmly planted our feet in a new mission. They have offered to help in any way possible and for this we are encouraged and blessed to have such a wonderful mission family behind us.
2. Due to this fact we are able to continue to receive support and when timing is right, our funds can be transferred to the new mission.
3. In the immediate future, God has blessed Josh with a wonderful job, he really enjoys. The bills are paid and our house is warm for the winter.

Prayer Request

- a. Marlo's grandfather passed away in September. Pray for healing in the family as they were close to him.
- b. For God's leading in the mission He has chosen for us.
- c. For strength to continue to live with the questions that have no immediate answers.
- d. For complete peace and rest of spirit, knowing God is in control of each day of our lives.

Praises

1. Maneesha and Nadia are becoming good friends and growing up healthy and happy.
2. God has blessed us with all we need to make ends meet.
3. The Family and Friends He has given us to help us through the storms in our lives.

Please Pray With Us!
